

Proverbs 6

Opening Prayer: Dear Heavenly Father, please direct me today as I read your word. Please help me to understand your word completely and help me to apply your word to my life today. I commit this day to you. Use me in any way you see fit. I ask this in Jesus name, Amen.

Comments/Insights: More instructions and warnings that we should consider as we go through our lives.

Basic Scripture Truth: The Bible tells us not to be lazy. It tells us to go to the ants, consider their ways and be wise. Ants are workers. They work all the time and are very organized in their work. They work hard and they always have plenty. Verses 10 and 11 tell us that if we are lazy then poverty shall surely come our way. We should all want to work and earn our way.

Application to my Life: I don't want to be lazy. I want to work to provide for my family. I want to be like the ants. I want to be like the ants in my Spiritual walk as well. If we are lazy then others might not hear the truths that are in the Bible. It is commanded of us to go. Go means work. We must work to build God's Kingdom. We are to be like the ants. We are to defend the colony, attack the enemy, gather food, become slaves of God's colony, and take care others by protecting the babes in Christ, gathering food and feeding those who have no food and providing shelter for those who have no shelter.

Closing Prayer: Father, Help me, help us, to be like the ants. Help us to consider their ways and not be lazy. Help us to do your work as the ants do in their work, never ending. Allow us to protect the babes in Christ, feed the hungry and provide shelter to those who don't have shelter whether it be physically or Spirituality. Thank you Jesus for dying for me and covering my sins. Amen.
